Terms and Conditions: The customer assumes and shall be fully responsible for any loss of, or damage to, the rented items from any cause whatsoever. If any rented item is not returned, the customer shall pay replacement costs, in addition to any rental payments due through the date of replacement cost payment. This includes internal components and accessories. The customer shall pay repair charges for any equipment returned in damaged condition. If the rental equipment fails to work properly during rental period through no fault of the customer and the show decorator is notified within 24 hours, the show decorator will either repair or replace the equipment. This warranty does not apply if the product has been damaged by accident, abuse, misuse, or as a result of service modification by any person other than a show decorator employee. If any collection proceedings are needed to resolve the matter, all administrative and reasonable attorney fees shall be paid by the renter. By renting from the show decorator you agree to the above terms, and that you accept complete responsibility for payment and for the condition of the equipment. The technical equipment will be mounted, tested to function and dismantled by our show decorator, the charge is included in the rental fees.
